Re: Case No. 2019-00119
Estill County Water District No. 1

To Whom It May Concern:

Upon closer inspection of the Estill County Water District No. 1's May 2023 surcharge report that was uploaded to the Public Service Commission's Electronic Filing System on June 15, 2023 it appears that the activity report for the month of April 2023 was inadvertently submitted instead of the May 2023 activity report. I am enclosing for filing the Estill County Water District No. 1 's surcharge report for May of 2023.

I apologize for my oversight in this matter and ask that you please contact me if there are any questions regarding this filing.

Very truly yours,

Audrea B Miller
