**BENT TREE CONDOMINIUM ASSOCIATION’S MOTION TO HOLD CASE IN
ABEYANCE**

Bent Tree Condominium Association (“Bent Tree” or “Complainant”), by and through Counsel, hereby moves the Commission to hold the instant matter in abeyance until August 13, 2021. As grounds for this motion, Counsel states the following:

1. Counsel has yet to review the inspection report on the testing of the subject meter in this case and to thoroughly digest his alternatives in this litigation. The amount of time to accomplish this endeavor is interminable but will be done expeditiously.
2. Importantly, Counsel is celebrating his 30-year anniversary of marriage with his wife and a denial of the abeyance would preclude him from participating in his wife’s prearranged trip through the end of July. This untenable result would lead Counsel to be relegated indefinitely to his dog’s house.

3. Shortly after his return, one of Counsel's daughters will undergo surgery which will likely require the breaking of her jaw - thus necessitating Counsel's time to assist in her recovery.
4. The granting of this motion will not prejudice or cause undue harm or run afoul of Defendant's meaningful due process in this proceeding given the time it has taken to bring the matter to closure.
5. Counsel for KAWC has stated he has no objection to the Motion.

WHEREFORE, Counsel respectfully requests the instant case be held in abeyance until August 13, 2021, to afford Counsel the time to maintain his family life as well as perhaps to assist in the health of one his daughters.

Respectfully submitted,
