**Kentucky Power Company's Motion To Supplement Procedural Schedule
And Schedule Evidentiary Hearing**

Kentucky Power Company moves the Public Service Commission of Kentucky to supplement the September 3, 2019 procedural schedule in this matter and to establish a date for an evidentiary hearing in this matter. Kentucky Power states in support of this motion:

1. The Commission established a partial procedural schedule in this matter by order dated September 3, 2019. The last date on the schedule is the filing by Kentucky Power of its rebuttal testimony on or before January 6, 2020.
2. The Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention, is the only intervenor in this matter. The Attorney General did not file testimony and the time for doing so expired on November 12, 2019. Kentucky Power thus will not be filing rebuttal testimony.
3. Kentucky Power propounded limited data requests to the Attorney General on November 25, 2019. The responses are due December 11, 2019.
4. Kentucky Power's witnesses are available for a hearing beginning January 28, 2020 through February 21, 2020.

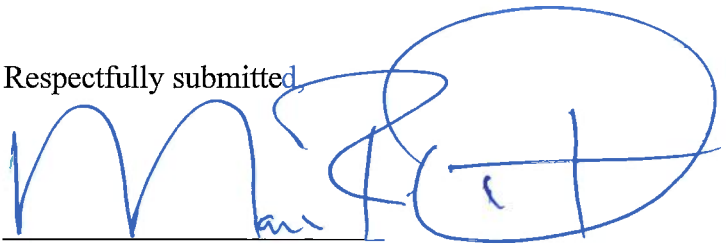

5. Kentucky Power anticipates the evidentiary hearing can be completed in a single day.

Wherefore, Kentucky Power Company respectfully requests the Commission enter an order

1. Scheduling for a date convenient to the Commission and the Attorney General an evidentiary hearing in this matter during the period January 28, 2020 through February 21 2020; and

2. Granting Kentucky Power such further relief to which it may be entitled.

Respectfully submitted
