RE: Administrative Case No. 2019-00256

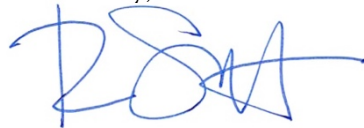

Dear Ms. Pinson:

This letter constitutes the Read1st file required by 807 KAR 5:001, Section 8(5)(a). The filing is an electronic version of two data tables, in an Excel file, created in preparing a response to Commission Staff's Post-Hearing Request for Information dated November 14, 2019, and requested, post-filing, by Commission Staff. The Response, Affidavit, Schedules 1, 2, and 4, and Exhibits 1 and 2, submitted in paper medium are omitted from the electronic filing.

I certify that, with regard to 807 KAR 5:001, Section 5(a)(3) and Section 7(a): The worksheet "Data Table Total" in the Excel file in this filing is derived from an Excel file worksheet used to print Schedule 3 submitted in paper medium and is true representation and an accurate copy of the information submitted in the paper filing. (Please note that the print format for this worksheet was not preserved in the Excel file during the preparation of Schedule 3.) The worksheet "Data Table Net Metering" was not submitted in paper medium. There are no parties of record in this case; therefore, service is not required.

I further certify that an original paper medium will be delivered to the Public Service Commission on or before December 6, 2019.

Sincerely,

Randy Strobo
