Executive Director

Public Service Commission

PO Box 615 Frankfort, KY 40602

Ms. Pinson:

Magoffin County Water District submitted a Purchase Water Adjustment Application on July 29, 2019 and was assigned Case No 2019-00262. The rates in the application were approved on September 12, 2019. When reviewing the final order, it was determined by the District, that the purchased water adjustment factor of \$.20 per thousand was placed on an older rate sheet that is on the Public Service Commission's tariff library with an effective date of October 15, 2015. The new rates should have been calculated from Case No. 2017-00269 in an order filed on September 28, 2017.

Magoffin County Water District is requesting the Public Service Commission to approve the correct rate sheet. Attached is the Purchase Water Adjustment Application, a corrected legal notice, and a corrected rate sheet.

Sincerely,

A handwritten signature in black ink, appearing to read "Allen McCarty", with a long horizontal flourish extending to the right.

Allen McCarty, Superintendent
