In the Matter of:

PETITION OF DUKE ENERGY KENTUCKY, INC.
FOR CONFIDENTIAL TREATMENT OF INFORMATION CONTAINED IN ITS APPLICATION REGARDING AN ADJUSTMENT OF ELECTRIC RATES

Comes now Duke Energy Kentucky, Inc. (Duke Energy Kentucky or Company), by counsel, pursuant to KRS 61.878, 807 KAR 5:001, Section 13, and other applicable law, and respectfully requests the Commission to classify and protect certain information provided by the Company in its Application for an adjustment of its electric rates as Confidential Information, respectfully stating as follows:

1. The information for which Duke Energy Kentucky seeks confidential treatment is contained in: (a) the Confidential Attachments to Filing Requirement 807 KAR 5:001, Section 16(7)(a) [Tab 35]; and (b) the Confidential Attachments to the Direct Testimony of Renee H. Metzler (RHM-5(a) - (c)). Collectively, these documents are referred to herein as the “Confidential Information” and, broadly speaking, include detailed operations and maintenance (O&M) and capital expenses incurred by the Company on a monthly basis, financial projections, and information relating to the compensation of non-
senior executive employees and shared employees of the Company.

2. With regard to the Confidential Attachments provided in FR 807 KAR 5:001, Section 16(7)(o) [Tab 35], Duke Energy Kentucky is providing its Financial Reporting Summaries (FRS) monthly managerial reports. These FRS reports contain narrative explanations of variances for the Company and show the financial condition of the Company on a monthly basis. In addition, the Company is including its monthly Regulatory O&M and Capital Reports (ROCR) that contain highly detailed variance descriptions and explanations for O&M and capital expenditures, respectively.

3. The foregoing information relating to the Company's detailed monthly capital and O&M expenses as well as Duke Energy Kentucky's monthly financial positions and drivers are self-evidently confidential and proprietary in nature. Individually, any of these documents would provide competitors with tremendous insight into the Company's financial condition, capital and O&M philosophies, policies, practices, and expenses. Gaining access to this information would be extremely valuable to the Company's competitors and vendors. If released, this information would put the Company at a competitive disadvantage in future negotiations with potential vendors and even potentially inhibit the Company's ability to properly manage its costs.

4. With regard to Confidential Attachments RHM-5(a) – (c), Duke Energy Kentucky is providing Duke Energy's: (a) 2019 Short-Term Incentive Plan and Union Employee Incentive Plans; (b) 2019 Restricted Stock Award Plan; and (c) 2019 Executive Long-Term Incentive Plan. These documents provide intimate details on the nature, function, scope, and operation of the Company's incentive compensation plans.

5. The foregoing information relating to employee compensation and benefits
is self-evidently confidential and proprietary in nature. Individually, any of these
documents would provide competitors with tremendous insight into the Company’s
compensation philosophies, policies and practices. Taken together, these documents
represent the accumulation of decades of “best practices” in human capital management.
Gaining access to this information would be extremely valuable to the Company’s
competitors who might desire to poach from Duke Energy Kentucky’s talent pool.
Moreover, it would impose a significant and material obstacle to the Company’s efforts to
continue to recruit and retain a skilled labor force.

6. The Kentucky Open Records Act exempts from disclosure information that,
due to its confidential and proprietary nature, would permit “an unfair commercial
advantage to competitors of the entity that disclosed the records” if openly disclosed.¹ The
Confidential Information was, and remains, integral to Duke Energy Kentucky’s effective
execution of business decisions. Indeed, as the Kentucky Supreme Court has found,
“information concerning the inner workings of a corporation is ‘generally accepted as
confidential or proprietary.’”² The information for which confidential treatment is sought
satisfies both common law and statutory requirements for confidential protection.

7. The information for which Duke Energy Kentucky is seeking confidential
treatment was either developed internally, or acquired on a proprietary basis, by Duke
Energy Corporation and Duke Energy Kentucky personnel, is not on file publicly with any
public agency, and is not publicly available from any commercial or other source. The
aforementioned information is distributed within Duke Energy Kentucky only to those

employees who must have access for business reasons, and is generally recognized as
confidential and proprietary in the utility industry.

8. Duke Energy Kentucky does not object to limited disclosure of the
Confidential Information described herein, pursuant to an acceptable protective agreement
entered into with any intervenors with a legitimate interest in reviewing the same for the
sole purpose of participating in this case.

9. In accordance with the provisions of 807 KAR 5:001, Section 13(2)(e), the
Company is filing one copy of the Confidential Information separately under seal, and one
copy with the Confidential Information redacted. Due to the pervasive nature of the
Confidential Information within each of the Confidential Attachments and FR, Duke
Energy Kentucky is requesting confidential treatment for the Confidential Information in
totality.

10. Duke Energy Kentucky respectfully requests that the Confidential
Information be withheld from public disclosure for a period of twenty years. This will
assure that the Confidential Information – if disclosed after that time – will no longer be
commercially sensitive so as to likely impair the interests of the Company or its employees
if publicly disclosed.

11. To the extent the Confidential Information becomes generally available to
the public, whether through filings required by other agencies or otherwise, Duke Energy
Kentucky will notify the Commission and have its confidential status removed, pursuant
to 807 KAR 5:001 Section 13(10)(a).

WHEREFORE, Duke Energy Kentucky, Inc., respectfully requests that the
Commission classify and protect as confidential the specific information described herein.
Respectfully submitted,

Duke Energy Kentucky, Inc.
