KROGER-POST-HEARING-DR-01-001

REQUEST:

Please provide a detailed accounting of all expenses associated with the Amazon Air Hub facility that are included in the test year in this proceeding. Please include the type and amount of each expense.

RESPONSE:

The Company noted in response to KROGER-DR-01-003 and KROGER-DR-02-002 that depreciation expense associated with certain capital projects being executed to support the Amazon Air Hub had been included in the test period. These certain capital projects are the projects that the Company requested CPCN approval of in Case No. 2017-00251. While these projects are being executed to support the Amazon Air Hub, Amazon is not the sole reason for the project as further explained in response to STAFF-DR-01-017 in Case No. 2019-00251.
