In accordance with 807 KAR 5:001, Section 8, this is to certify that the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on November 1, 2019; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original in paper medium of this filing will be filed by hand-delivery with the Commission within two business days from the date of the electronic filing.
