Dear Mr. Chandler:

Pursuant to ordering paragraph three (3) of the Commission's October 1, 2019 Order regarding Jackson Purchase Energy Corporation's ("JPEC") Motion for Confidential Treatment of the purchase price for the property upon which the new headquarters building will be constructed, JPEC hereby gives notice that the purchase of the property was completed on February 13, 2020 and the information regarding the purchase price is no longer considered confidential and can now be placed in the public record in this case.

In accordance with 807 KAR 5:001, Section 8, this is to certify that the electronically filed documents are true and accurate copies of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on February 18, 2020; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original versions of the documents transmitted electronically will be filed with the Commission in paper medium within two business days from the date of the electronic filing.

I appreciate your assistance with this matter, and please do not hesitate to contact me with any questions or concerns.
