RE: Peoples Gas KY LLC
Supplemental Update to GCR Filing Proposed to Become Effective November 1, 2019
Case No. 2019-00341

Dear Ms. Pinson:

Enclosed for filing on behalf of Peoples Gas KY LLC (Peoples KY) is a Supplemental Gas Cost Recovery (GCR) Update filing for the calendar quarter ended July 31, 2019, for rates proposed to become effective November 1, 2019. A hard copy will follow via regular mail delivery.

This filing contains a revision to Schedule 4 of the Rate Calculation. In the original filing, the supply costs were erroneously presented in the month that the invoice was received rather than the month the costs were incurred. However, the total supply cost for May 2019 through July 2019 of \$113,312 did not change. As a result, the Quarter Actual Cost Adjustment Rate (ACA) was not impacted and remains \$0.1124. Additionally, the supply volumes presented in the original filing were incorrect. The correct volumes are presented in this supplemental filing. The volume revision does not affect the rate calculation.

Please contact me if you have any questions.

Sincerely,

Carol Scanlon
