Re: Case No. 2019-00355  
2017 Edmonson/Hart Water Line Project

Dear Executive Director:

Pursuant to the final order, the Edmonson County Water District submits its break down of construction cost and a certified statement from a professional engineer for the above-mentioned project. Also included are the as built drawings. This completes the filing requirements in this case.

Sincerely,

Tony Sanders

General Manager

Edmonson County Water District
