HARRISON AND NICHOLAS COUNTIES, INC.
913 Georgetown Street
P.O. Box 11610
Lexington, Kentucky 40576

MODIFIED AND RESTATED AGREEMENT

THIS MODIFIED AND RESTATED AGREEMENT, effective the 1st day of November, 1996, by and between Columbia Gas of Kentucky, Inc., a Kentucky corporation with offices located at 2001 Mercer Road, Lexington, Kentucky 40512 ("Columbia"), AND Community Action Council for Lexington-Fayette, Bourbon, Harrison and Nicholas Counties, Inc., a Kentucky nonprofit corporation and community action agency having its principal offices and place of business at 892 Georgetown Street, Lexington, Kentucky 40576 ("CAC").

WHEREAS, as a result of Columbia's 1994 Rate Case ("In the Matter of: Notice of Adjustment of Rates of Columbia Gas of Kentucky, Inc., On and After July 1, 1994", Case No. 94-179), the Kentucky Public Service Commission ("Commission" or "PSC") approved Columbia's proposal to undertake a Customer Assistance Program Pilot ("CAP");

WHEREAS, Columbia must develop and implement a pilot Customer Assistance Program, designed primarily to assist 500 certain payment-troubled residential customers in the Lexington, Kentucky area, and 250 certain payment-troubled residential customers in other parts of Columbia's service territory, as agreed to by the parties;

WHEREAS, a goal of the CAP pilot is to gather useful data for statistical evaluation and analysis, for use by all parties involved, including but not limited to the Commission, Columbia, and CAC;

WHEREAS, Columbia desires to fulfill its obligation under the Commission's order by planning to implement CAP, and Columbia has begun preparation of a Workplan outlining how Columbia will conduct and administer the CAP program, including the use of outside agencies such as CAC;

WHEREAS, Columbia desires to have CAC assist in the development, implementation, and administration of the CAP pilot project;

WHEREAS, CAC desires to provide the services required to assist Columbia in developing, implementing, and administrating Columbia's CAP project; and

WHEREAS, Columbia and CAC desire to modify and restate their prior Agreement dated December 14, 1995;

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, as well as other good and valuable consideration, the parties do hereby mutually covenant and agree as follows:

ARTICLE 1. TERM

- 1.1 This Agreement shall be effective from November 1, 1995, and shall continue thereafter for a period of three (3) years from the CAP startup date or until Columbia deems the pilot is completed.
- 1.2 Either party may terminate this Agreement upon notice if the other party shall become insolvent, or shall make a general assignment for the benefit of its creditors.
- 1.3 Either party may terminate this Agreement for any reason upon thirty (30) days prior written notice.

ARTICLE II. SCOPE; RESPONSIBILITIES; DUTIES

- 2.1 CAC shall provide services pursuant to this agreement in the Lexington-Fayette urban area. CAC shall provide services through the Kentucky River Foothills Community Action Agency and the Big Sandy Community Action Agency, as subcontractors, in those community action agencies' respective service areas.
- 2.2 CAC agrees to provide intake screening for the CAP pilot. CAC assumes responsibility for completing application forms, obtaining income and expense information and verification, obtaining the applicant's signature on a release form to be provided by Columbia (see also §12.5 herein), explaining the CAP payment formula, program quidelines and Columbia's policies which must be followed by the customer, and entering such information into CAC's computer system. When an applicant(s) has been accepted into the CAP, CAC will enroll such applicant(s) into Columbia's computer system. The attainment of a signed release form by Columbia shall be a condition precedent to customer participation in the CAP pilot. CAC also agrees to process "LIHEAP" (Low Income Heating Energy Assistance Program) applications, if applicable. CAC agrees to mail a CAP plan approval letter to each eligible customer who is accepted into the pilot, such letter to provide the due date of the first CAP payment.
- 2.3 With respect to the CAP pilot, default shall be defined in the detailed document outlining the CAP program attached

hereto as Attachment B (the "Workplan"), and shall be handled as specified therein. CAC shall be responsible for removing from the CAP pilot all customers failing to comply with any term of the customers' agreement with Columbia to become CAP participants. CAC shall send a letter to such customers, explaining the reasons for removal. CAC shall then release the account to the local Columbia office and perform an exit interview to determine the reasons for noncompliance.

- 2.4 All application procedures and requirements normally applicable and described above shall apply upon reapplication for admission to the program.
- 2.5 CAC shall be responsible for handling customer calls regarding CAP accounts. A toll free number ("1-800 number") has been installed for use by CAP customers.
- 2.6 CAC agrees to administer the program in accord with the Workplan developed by Columbia and others, a copy of which is attached hereto as Attachment B, and shall be incorporated into and made a part of this Agreement.
- 2.7 CAC shall participate in the evaluation portion of the program, and shall assist in gathering data for statistical analysis and evaluation as deemed appropriate by the parties.
- 2.8 CAC shall maintain accurate books, records, and documents that pertain to costs, labor, and expenses incurred under this Agreement. CAC agrees to exercise its best efforts to stay within the estimated expenses as provided in Attachment A, and to contact Columbia for the purpose of seeking prior approval from Columbia before incurring expenses that are significantly higher than those outlined in Attachment A.
- 2.9 CAC and its subcontractors shall perform hereunder solely as independent contractors. Neither CAC nor any other person employed or engaged by CAC in connection with the performance of work under this Agreement shall be deemed to be an employee, agent or representative of Columbia.
- 2.10 At the time work is performed under this Agreement, CAC shall employ its best efforts to obtain from eligible customers such information as Columbia or its designees may require from time to time, and shall report and retain such information in such form, detail and frequency as Columbia or its designee may require from time to time. CAC will provide Columbia with monthly and annual reports, listing the number of applications, acceptances, rejections, number of defaults and reason for such noncompliance, and the number of education visits and remedial visits.
 - 2.11 Columbia shall provide CAC access to Columbia's

Š

Distributive Information System ("DIS"), for the input of data as required under this Agreement. Columbia shall provide training of CAC personnel for such access.

- 2.12 CAC and its subcontractors shall retain all records that relate to the work performed hereunder and shall make such records available to Columbia or its designee, and to the Public Service Commission Staff or its designee, upon request. Such records shall be retained for a period of five (5) years after completion of the CAP pilot.
- 2.13 CAC shall select, train, and supervise its personnel chosen to perform CAC's duties which relate to the CAP pilot under this Agreement.
- 2.14 Columbia shall provide customer listings by ZIP Code, as well as postcards, brochures, labels and other literature to CAC for dissemination to customers.
- 2.15 Columbia shall be responsible for devising a CAP pilot and Workplan that comply with any order of the Public Service Commission.
- 2.16 CAC's employees, and those of its subcontractors, will have appropriate identification cards to identify themselves as employees of their respective community action agencies.
- 2.17 CAC and its subcontractors shall have in place and consistently enforce a policy prohibiting the use and abuse of alcohol and illegal chemical substances.
- 2.18 CAC and its subcontractors shall have in place and consistently enforce a policy requiring all employees to be respectful of customers and the customers' property and to maintain good and proper customer relations.

ARTICLE III IDENTIFICATION OF ELIGIBLE CUSTOMERS

- 3.1 Columbia shall provide CAC with one or more lists of eligible customers within the appropriate geographic regions involved in this pilot project. Outreach to participants shall originate from eligible customer lists provided to CAC by Columbia.
- 3.2 CAC and its subcontractors may supplement from their own data resources the outreach lists provided by Columbia.

ARTICLE IV. RESERVATION BY COLUMBIA

4.1 Columbia expressly reserves the right to limit the

number of eligible customers to participate in the CAP pilot, and also expressly reserves the right to expand the number of eligible customers, in order to meet the stated program goal of an enrollment of 500 (Lexington area) and 250 (other Columbia service territory) customers, respectively.

4.2 All forms, printed materials, and computer software developed or utilized to implement or promote the CAP pilot, including written communications to Columbia customers, must be approved by Columbia as a condition precedent to Columbia's obligation to perform under this Agreement. CAC agrees to assist in the development of the forms and communications to be used.

ARTICLE V. TRAINING AND SUPERVISION

5.1 CAC shall be responsible for the supervision of all work performed by its contractors, subcontractors, or intake screening agencies pursuant to this Agreement.

ARTICLE VI. COMPENSATION

- 6.1 Attachment A sets forth the estimated total expenses CAC will incur in its performance under this Agreement. It is understood between the parties that the number of applications to be processed included on Attachment A are estimates. For an application to be considered valid and complete, applicants must meet the requirements as set forth in Columbia's Workplan, as referenced in Section 2.5 herein.
- 6.2 CAC will invoice Columbia on a monthly basis for administrative charges to be incurred during the previous billing cycle; administrative charges to include salaries, rent, etc., as provided in Section II of Attachment A, and for actual expenses incurred (application processing fees, mailing of postcards, follow up phone calls, re-certification and reentry procedures) on an actual basis and in such detail as may be reasonably required by Columbia, after such costs have been incurred by CAC.
- 6.3 Columbia shall remit payment to CAC, pursuant to the price schedule set forth in Attachment A attached hereto and hereby incorporated herein by reference, within thirty (30) days of receipt of CAC's invoice. Payment shall be by means of a check made payable to "CAC."
- 6.4 Columbia, and its duly authorized representatives, shall have access, at reasonable times during the term of this Agreement, and for a five (5) year period following completion or termination of the CAP pilot, to all of CAC's personnel, books, records, correspondence, instruction, plans, drawings, receipts, vouchers and memoranda of every description pertinent to work

performed pursuant to this Agreement for the purpose of auditing and verifying cost of work, or to determine Columbia's rights or CAC's obligations hereunder, or to ascertain any facts relative to any claim against CAC or its subcontractors which has or may become a charge against Columbia or the work or for any other reasonable purpose. Said representatives shall have the right to reproduce the aforesaid articles at Columbia's expense. Columbia shall have sufficient audit access to CAC's costs in the fixed rate areas to satisfy itself that all services that are supposed to be included in said fixed rates are so included. Columbia acknowledges that the aforesaid articles and information may be privileged and confidential, and agrees not to disclose any such articles or information to third parties except in conformance with that undated Confidentiality Agreement entered into by the Parties on or about June 28, 1995, and as may be required by any Columbia affiliate; auditor of Columbia or its affiliate; law, or order of any court or request of any government agency.

6.5 CAC shall ensure Columbia's audit rights by inclusion of an audit clause guaranteeing Columbia equivalent audit rights to those provided for herein, in each of its contracts or agreements with subcontractors, if applicable.

ARTICLE VII. INSURANCE AND INDEMNITY

- 7.1 CAC shall hold harmless and indemnify Columbia from and against any and all loss, damage or liability, and from any and all claims for damage on account of or by reason of bodily injury, including death, which may be sustained or claimed to be sustained by any person, including employees of CAC and of any subcontractor, and from and against any and all damages to property, including loss of use, and including property of Columbia, caused by or arising out of or claimed to have been caused by or arisen out of an act or omission of CAC, its agents, employees or subcontractors in connection with the performance of this agreement; provided however, that the foregoing indemnification will not cover loss, damage, or liability arising from the negligence, omission or willful misconduct of Columbia, its agents and employees.
- 7.2 Columbia shall hold harmless and indemnify CAC and its subcontractors from and against any and all loss, damage or liability, and from any and all claims for damage on account of or by reason of bodily injury, including death, which may be sustained or claimed to be sustained by any person, including employees of Columbia and of any subcontractor, and from and against any and all damages to property, including loss of use, and including property of CAC, caused by or arising out of or claimed to have been caused by or arisen out of an act or omission of Columbia, its agents, employees or subcontractors in connection with the performance of this agreement; provided

however, that the foregoing indemnification will not cover loss, damage, or liability arising from the negligence, omission or willful misconduct of CAC, its subcontractors, agents and employees.

- 7.3 CAC shall furnish and maintain insurance coverage for Workers' Compensation, Employer's Liability, and general business liability, as required by Columbia, during the term of this Agreement. CAC agrees to assume all responsibility for ensuring that its subcontractors are insured to the satisfaction of Columbia, consistent with the provisions of this Agreement.
- 7.4 The Certificate of Insurance of CAC and its subcontractors shall name Columbia as an additional insured, and shall be furnished by CAC to Columbia upon execution of this Agreement. Said Certificate of Insurance shall also state that any excess or umbrella liability policies are in excess of all primary coverage.

ARTICLE VIII. TAXES

8.1 Columbia and CAC shall each pay all taxes of every kind as respectively assessed to or levied on each, without right of contribution by the other. No provision of this Agreement shall be affected by an increase or decrease in the rate or amount of any tax, the repeal of an existing tax, by the enactment of a new tax, or by the subsequent application hereto of any existing tax.

ARTICLE IX. LABOR AND WAGE LAW

9.1 CAC warrants that its obligations hereunder will be performed in compliance with the Civil Rights Act of 1964 (July 2, 1964, 78 STAT. 241) and The Fair Labor Standards Act of 1938 (June 25, 1938, 52 STAT. 1060), as amended, all provisions thereof being incorporated by reference.

ARTICLE X. EQUAL EMPLOYMENT OPPORTUNITY

10.1 The equal opportunity clause appearing at 41 C.F.R. 601.4, and the affirmative action clauses appearing at 41 C.F.R. 741.4, and 41 C.F.R. 60.250.4 are incorporated by reference herein.

ARTICLE XI. NOTICES

11.1 Notices to Columbia shall be addressed as follows:
Columbia Gas of Kentucky, Inc.

2001 Mercer Road P.O. Box 14241 Lexington, KY 40512-4241 Attn: Carolyn Woodford, CAP Administrator

11.2 Notices to CAC shall be addressed as follows:

Community Action Council 913 Georgetown Street P.O. Box 11610 Lexington, KY 40576 Attn: Jack E. Burch, Executive Director

11.3 All notices required by this Agreement shall be in writing and sent to the party at the address set forth in this Agreement, or may be hand delivered by the party giving notice. Either party may change its address for receiving notices by written notice to the other party.

ARTICLE XII. MISCELLANEOUS

- 12.1 This Agreement shall be binding upon and enure to the benefit of the successors and assigns of the respective parties hereto. No assignment of this Agreement, in whole or in part, will be made without the prior written consent of the non-assigning party, which consent shall not be unreasonably withheld.
- 12.2 No waiver or any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Agreement shall be taken and construed as cumulative, that is, in addition to every other remedy provided herein or by law.
- 12.3 This Agreement (including the Workplan attached hereto) sets forth all understandings between the parties respecting the subject matter of this transaction and all prior agreements, understandings and representations, whether oral or written, representing this subject matter are merged into and superseded by this written Agreement, except that Confidentiality Agreement entered into by the Parties on or about June 28, 1995. No modification or amendment of this Agreement shall be binding upon either party unless in writing and signed by the party to be bound.
- 12.4 The interpretation and performance of this Agreement shall be conducted in good faith by both parties, and shall be governed by the laws of the Commonwealth of Kentucky.
- 12.5 CAC shall secure the signature of each eligible customer receiving assistance under the CAP pilot, on a release

form supplied by Columbia. Said release form shall clearly indicate that the eligible customer receiving aid releases Columbia from all liability relating to service under, or dissemination of information regarding the CAP pilot contemplated herein but does not release Columbia from any duty otherwise owed to its customers, authorizes Columbia to publish, disseminate, reproduce, use and dispose of any data furnished by or regarding eligible customers in such manner as Columbia deems appropriate (subject to the Confidentiality Agreement), and acknowledges that the projected savings resulting from the CAP pilot is an estimate. In the event that Columbia modifies said release form, and such modification results in additional expense to CAC, Columbia agrees to reimburse CAC for the additional, reasonable expense so incurred.

IN WITNESS WHEREOF, the parties hereto have caused their names to be signed and their seals affixed on the days and year hereinafter written.
