Case No. 2019-00370

Question No. 4

Witness: Robert M. Conroy – LG&E

Each Joint Applicant

- Q-4. State whether each Joint Applicant currently has existing transmission and distribution facilities to serve the new Nucor mill.
- A-4. LG&E currently has existing transmission facilities adjacent to the location of the new Nucor mill but they are not adequate. New construction would be required to meet the proposed load of the new facility.
