**MOTION FOR LEAVE TO FILE DATA REQUESTS AFTER DEADLINE**

---

Princeton Water and Wastewater Commission (“PWWC”), by counsel, respectfully requests leave to file data requests to Caldwell County Water District and Lyon County Water District after the deadline. In support of its motion, PWWC states as follows:

In its February 21, 2020, scheduling order, the Commission set a filing deadline of Friday, April 3, 2020, for requests for information to Intervenor. The undersigned counsel inadvertently missed that deadline. Counsel has identified a flaw in his calendar system used while working remotely due to the current state of emergency, and will aim to cure that problem to ensure future deadlines are not inadvertently missed.

Caldwell County Water District and Lyon County Water District should not be unfairly prejudiced by the filing of these data requests two days after the deadline and before the next business day after the deadline. The requests are not cumbersome or voluminous. To the extent that the Water Districts need a commensurate extension to file responses to these data requests, PWWC will not object to such an extension.<sup>1</sup>

Accordingly, PWWC respectfully requests leave from the Commission to file these data requests after the deadline.

---

<sup>1</sup> Due to the timing of the filing, counsel for PWWC has not consulted with counsel for the Water Districts to determine whether they would be opposed to this motion.

Respectfully submitted,

---
