RE: Western Fleming County Water District

Dear Ms. Bridwell:

This is to confirm that Western Fleming County Water District requires a seven-month extension from the requirement to file an alternative rate filing by March 30, 2021, due to the high volume of alternative rate filings with which KRWA is currently providing assistance. This extension will also provide enough time for financial reports for CY 2020 to be finalized and the most current information used in the application.

Sincerely,

Alan H. Vilines, P.E.
