**MOTION FOR INFORMAL CONFERENCE**

Pursuant to 807 KAR 5:001, Section 9(4), Louisville Gas and Electric Company (“LG&E”) and Kentucky Utilities Company (“KU”) (collectively “the Companies”) move the Commission to issue an order scheduling an informal conference and holding the current procedural schedule in abeyance pending the discussions at the informal conference.

In support of their Motion, the Companies state:

1. The Commission’s June 18, 2020 Order granted rehearing to address, among other things, the methodology to be applied during the Fuel Adjustment Clause (“FAC”) review. The June 18, 2020 Order also established a procedural schedule for the rehearing.

2. At the outset of the rehearing, the Companies desire to provide Commission Staff and the Attorney General a complete understanding of the After-the-Fact Billing (“AFB”) process and answer any questions. This business process is technical and complicated. An understandable explanation of AFB does not lend itself to an easy to read explanation in data responses. An informal conference will facilitate the efficient presentation and discussion of the Companies’

AFB process and its relation to the Commission's biennial FAC review and allow for questions and answers.

3. As a result of the informal conference Commission Staff and the Attorney General will likely be more efficient and productive in the use of their resources during the course of the rehearing. The informal conference also should allow for the winnowing of the issues and a more focused review on rehearing.

4. If the Commission grants this Motion for Informal Conference, the Companies also request the Commission suspend the procedural schedule for a reasonable time following the informal conference for further consideration.

5. The Companies request an order scheduling the informal conference and holding the procedural schedule in abeyance be issued before July 9, 2020, which is the date when the initial requests for information are due to the Companies.

6. The Companies are willing to appear in person at the informal conference at the Commission's offices, using Hearing Room No. 1 in accordance with applicable COVID-19 restrictions, or remotely by video conference and to facilitate the video conference, or both in person as described with the option to attend the conference remotely.

7. The Companies are available on July 16, 17, 20, 21 or 22 to attend the proposed informal conference.

**WHEREFORE**, the Companies move that the Commission issue and order on or before July 9, 2020, scheduling an informal conference and suspending the procedural schedule pending the discussions at the informal conference.

Dated: July 2, 2020
