

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PROPOSED FILING OF GREEN RIVER)
VALLEY WATER DISTRICT TO AMEND ITS) CASE NO. 2020-00026
TARIFF)

MOTION FOR EXTENSION OF TIME

Green River Valley Water District (“Green River District”) moves for an extension of time until July 24, 2020 to submit its responses to Commission Staff’s Fifth Request for Information.

In support of its Motion, Green River District states:

1. On June 30, 2020, Commission Staff issued its Fifth Request for Information, which contained 16 requests (39 requests if subparts are considered separately). Some of these requests require an extensive document review to ensure a correct and complete response.
2. The request allows Green River District only seven business days in which to compile that requested information. (July 3 is a federal and state holiday.)
3. In addition to responding to Commission Staff’s Request for Information in this proceeding, Green River District must prepare a response Commission Staff’s Request for Information in Case No. 2020-00085.¹
4. Green River District has a limited number of office personnel who are sufficiently familiar with and understand Green River District’s record systems and practices to compile the requested information and prepare Green River District’s response. To compile and assemble thorough and accurate responses to Commission Staff’s Request within the allotted time period, these employees would have to be diverted from their present duties and devote their full attention

solely to preparing the responses. These employees perform duties that are essential to the Green River District's functioning and have a limited amount of time in which they can devote to compiling the requested information. Diverting these employees from their primary duties to devote their sole attention to preparing responses to Commission Staff's requests would significantly disrupt Green River District's operations. Moreover, Green River District's General Manager will have limited availability for the next 14 days due to medical issues.

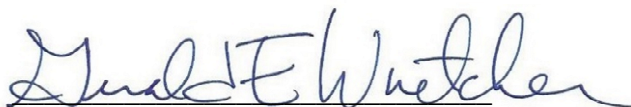

5. Extending the response period will enable Green River District to provide more thorough responses to Commission Staff's Request and thus allow it to better assist the Commission's review of the proposed tariff revision. The requested extension will not unduly delay this proceeding.

6. This request is made in good faith and not for purposes of delay

WHEREFORE, Green River Valley Water District requests that the Commission enter an Order extending the time for responses to Commission Staff's Fifth Request for Information to July 24, 2020.

Dated: July 6, 2020

Respectfully submitted,
