Re: Case No. 2020-00031

In the Matter of: The Application of Duke Energy Kentucky, Inc. for an Order Approving the Establishment of a Regulatory Asset for the Liabilities Associated with the PJM Expenses Related to the GreenHat Energy, LLC Default

Dear Mr. Chandler:

In accordance with the Commission's February 27, 2020 Order in this proceeding, Duke Energy Kentucky, Inc. respectfully requests that the matter be submitted for decision based upon the existing evidentiary record. The deadline for intervention and for submittal of intervenor testimony has now passed with no interventions. As such, the remainder of the procedural schedule for discovery of intervenors and rebuttal testimony are no longer applicable. Duke Energy Kentucky does not believe there is a need to conduct an evidentiary hearing in this proceeding and that the matter can now be decided by the Commission.

The original copy will be filed with the Commission within 30 days of the lifting of the current state of emergency.

Please feel free to contact me should you have any questions concerning this matter.

Sincerely,

/s/ Rocco D'Ascenzo
