Hi Rachel!

I'm attaching two hearing notices, one for LG&E and one for KU, that will need to be published one (1) time and also as soon as possible. If there are any that cannot be published by September 3rd, can you let us know so that we can request a deviation? Please send a draft for final approval before publishing.

Judy Schooler is out of the office this week so if there is anything else you need, let me know. She can complete the Affidavit and invoice when returning next week.

Thanks!
