1) Habitable structures shown are those that were field verified and located within the open house notification area.

*Shown is a preliminary design. This design is not the final route centerline or structure locations. Final line route and structure locations will be determined during final engineering, which includes ground survey and geotechnical and environmental studies. Nonetheless, the Company believes the centerline illustrated is the most suitable alignment based upon preliminary analysis.

DATA REQUEST

- 2-2** Refer to the Application, Exhibit 6: Proposed Route;2 the Application, Exhibit 11: Parcel List and List Of Landowners within Right-of-Way and Filing Corridor; Kentucky Power's October 2020 Property Acquisition Report filed with the Commission on October 14, 2020, and Kentucky Power's November 2020 Property Acquisition Report filed with the Commission on November 4, 2020.
- Of the five parcels that are identified in the October 2020 Property Acquisition Report as no longer required for right-of-way or construction, three appear on Exhibit 6 of the Application, as necessary. The three are (1) Richard E. and Annette Ray (Map Id. No. 34); (2) Appalachian Land Company (Map Id. No. 36); and (3) Appalachian Land Company (Map Id. No. 40). The seven newly identified parcels listed in the October 2020 Property Acquisition Report do not have a Parcel Reference (Map Id. Number) in Exhibit 2 of the Property Acquisition Report.
- In the November 2020 Property Acquisition Report, Kentucky Power states that ongoing survey and title work demonstrated that Parcel 9 will not be affected by proposed route of the line or the required right-of-way. However, Exhibit 6 of the Application clearly shows the line crossing Parcel 9.
- a. Provide an updated Exhibit 2 of the October Property Acquisition Report, including map identification numbers for the newly identified parcels.
 - b. Provide a revised Exhibit 6 of the Application (map of proposed route) showing the current proposed route, and include all parcel references (Map Id. Number).
 - c. Provide an accurate updated Exhibit 11 of the Application (list of parcels and landowners within the right-of-way and filing corridor).
 - d. Explain the inconsistencies between Exhibit 6 of the Application and the October 2020 and November 2020 Property Acquisition Reports discussed above.

RESPONSE

- a. See KPCO_R_KPSC_2_2_Attachment1 for an updated Exhibit 2 of the Property Acquisition Report.

b. See KPCO_R_KPSC_2_2_Attachment2 and KPCO_R_KPSC_2_2_Attachment3 for revised topographical and aerial maps that make up Exhibit 6 of the Application. Parcel boundaries shown are still subject to change with additional title and surveying work.

c. See KPCO_R_KPSC_2_2_Attachment4 for an updated Exhibit 11 of the Application.

d. Exhibit 6 of the Application indicated 31 parcels to be affected by the required Right of Way. The October 2020 Property Acquisition Report identified, based upon further title and survey work, that the five parcels below would not be longer affected by the proposed line and right-of-way:

Ref ID	Tax #	Name	Comment
17	035-00-00-003.00	THOMAS B. RATLIFF TRUST	
29	035-00-00-019.00	ROBERT DOTSON PINSON (DECEASED)	Duplicated Parcel
34	052-00-00-036.01	RICHARD E. & ANNETTE RAY	
36	052-00-00-056.01	APPALACHIAN LAND COMPANY	
40	052-00-00-054.00	APPALACHIAN LAND COMPANY	

The October 2020 Property Acquisition Report also identified, based on further survey and title work, an additional seven parcels that might be affected by the proposed centerline and right-of-way.

Ref ID	Tax #	Name
new	109-00-00-021.00	C. C. Johnson Heirs

Further title and survey work determined that parcel #9 – Opal Young, was no longer affected by the proposed centerline and right-of-way easement area. The November 2020 Property Acquisition Report reflected this change. A portion of the parcel remains in the filing corridor but outside the proposed centerline and right-of-way.
