Re: In the Matter of: Electronic Application of Big Rivers Electric Corporation for Approval to Modify its MRSM Tariff, Cease Deferring Depreciation Expenses, Establish Regulatory Assets, Amortize Regulatory Assets, and Other Appropriate Relief, Case No. 2020-00064

Dear Executive Director:

It has come to our attention that there was an unintentional formatting issue with the public versions of Big Rivers' April 3, 2020 responses to the initial data requests of the Commission Staff, the Attorney General, and KIUC. The formatting issue is being addressed at this moment, and updated versions will be filed imminently. Consequently, we respectfully request that the public versions of each filing be temporarily removed from the public record pending receipt of the updated files.

Because the intervenors in this case have signed non-disclosure agreements permitting access to the confidential information in those filings, no party to this matter will be prejudiced by this request.
