Dear Executive Director:

On June 30, 2020, the Commission issued an order which, among other things, denied confidential treatment for Big Rivers' attachment to its response to Item 7b. of Commission Staff's Second Request for Information, and for Big Rivers' response to Item 6 of Commission Staff's Third Request for Information.

Accordingly, Big Rivers hereby electronically files the unredacted, non-confidential versions of these documents in the above-referenced matter. This cover letter constitutes the 'Readlst' file required by 807 KAR 5:001 Section 8(5).

The undersigned certifies that the materials in the electronic filing are a true representation of the materials in paper medium, and that the electronic version of the paper filing is a true and accurate copy of each paper filed in paper medium. The Commission has excused no parties to this proceeding from its electronic filing procedures.

Big Rivers will file the requisite paper copies of this electronic filing within thirty days after the current state of emergency is lifted, as required by the Commission's Orders in Case No. 2020-00085.
