Question No. 8

Responding Witness: Emily Hoffman

Q-8. Assuming the Commission's moratorium on disconnections was not in effect, provide the number of customers in each class that would be subject to disconnection, and the date used for this determination.

A-8. Using the period from February 2020 through June 2020, the following number of customers would be subject to disconnection but for the Commission's moratorium:

Commercial – 7
Residential – 419
Government – 0

This response is based upon the number of customers that, as of June 30, 2020, have been delinquent in payment since March 2020.

Question No. 9

Responding Witness: Emily Hoffman

Q-9. Provide the percent of customers, by class, that pay on time for:

- a. 2017 as a year, not each month;**
- b. 2018 as a year, not each month;**
- c. 2019 as a year, not each month; and**
- d. Each month in 2020**

A-9. a. Residential – 87%
Commercial – 98%
Government – 100%

b. Residential – 83%
Commercial – 99%
Government – 100%

c. Residential – 81%
Commercial – 98%
Government – 100%

d. January - Residential – 82%
Commercial – 97%
Government – 100%

February - Residential – 80%
Commercial – 99%
Government – 100%

For the months of March through June 2020, Green River Valley Water District did not assess any late payment fees and, as a result, has no means to determine if whether a customer made timely payment during that period.

Question No. 10

Responding Witness: Emily Hoffman

Q-10. Provide the following information for January 1, 2015, until December 31, 2019. If a utility provides multiple services, such as both water and sewer residential service, provide the information requested for each service separately. For those customers that receive combined service, provide each service separately if separately served or combined if billed on a combined basis. Further, provide the following information by class.

- a. Provide monthly totals of service termination notices issued to customers only for nonpayment of bills.
- b. Provide monthly totals of service terminations for customers only for non-payment of bills.
- c. Provide the total number of customers for each month.

This information should be provided so as not to duplicate customer counts. The information requested in this request should be presented similarly to the residential-only information provided in Case No. 2019-00366. For reference, refer to Louisville Gas and Electric Company and Kentucky Utilities Company’s response to Post-Formal Conference Request for Information filed with the Commission on March 6, 2020.

A-10. a. See table below.

Question No. 13

Responding Witness: Emily Hoffman

- Q-13. Provide copies of all general communication provided to customers regarding arrearages, late payments, payment plans, etc. since March 16, 2020. Customer-specific communication is excluded from this request.**
- A-13. On March 13, 2020, Green River Valley Water District made a system-wide telephone call to its customers advising that its office would be closed and that late fees would not be assessed until further notice. Green River Valley Water District has ceased issuing late water notices. During this time, the only other form of customer communication has been the monthly water bill.
