Re: Case No. 2020-00085

Dear Mr. Chandler:

We are in receipt of your request for operational date related to the Novel Coronavirus Covid-19 per the referenced case dated June 23, 2020. The order requests the information be provided by July 7, 2020, which only allowed for nine (9) business days for the District to compile the requested date. Given the amount of information requested and the amount of effort required to compile and assemble thorough and accurate responses the District is requesting additional time to respond to the request. The District request an extension until July 24, 2020 to respond the Commission Staff's Request for Information.

Your consideration of the request is appreciated. Please contact me at 606-794-8460 if you have any questions regarding this request.

Sincerely,

Kevin Lowe
Office Manager
Mountain Water District
