KENTUCKY-AMERICAN WATER COMPANY’S
ORDERING PARAGRAPH 3 REPORT

Ordering Paragraph 3 of the Commission’s June 12, 2020 Order directed Kentucky-American Water Company (“KAW”) to file a report within 60 days of all issued credits “reflecting the total amount of credits issued and the percentage used to derive the total amount.” KAW hereby reports that all credits were issued during July 2020 and the total amount of credits issued was \$1,331,100.78. KAW used 17.96% and applied that percentage to July billings to generate the total credits issued of \$1,331,100.78. This amount is immaterially lower (by \$64.22) than the \$1,331,165 in savings for the period November 14, 2019 to June 30, 2020 that KAW has reported in this case. That slight difference was caused by a very small number of accounts being closed between the time the necessary percentage was decided and when the credit was applied to bills.

Respectfully submitted,
