BEFORE THE PUBLIC SERVICE COMMISSION

IN THE MATTER OF:

ELECTRONIC APPLICATION OF SENTRA  
CORPORATION FOR AN ALTERNATIVE RATE  
ADJUSTMENT

CASE NO. 2020-00102

**NOTICE OF IMPLEMENTATION OF PROPOSED RATES**

Comes Sentra Corporation (“Sentra”), by counsel, and for its Notice of Implementation of Proposed Rates, states as follows:

1) The Application of Sentra Corporation for an Alternative Rate Adjustment (“Application for Rate Adjustment”) was accepted by the Public Service Commission (“Commission”) for filing on April 15, 2020. The Application for Rate Adjustment included proposed new rates as set forth in Attachment A.

2) The Commission has not issued its Order ruling on the Application for Rate Adjustment within six (6) months from the date of filing of the application. 807 KAR 5:076, Section 7(2) states, “If the commission has not issued its order within six (6) months from the date of filing of the application, the applicant may place its proposed rates in effect subject to refund upon providing the commission with written notice of its intent to place the rates into effect.” This Notice of Implementation of Proposed Rates provides the Commission with written notice of Sentra’s intent to place its proposed rates into effect for bills rendered on and after November 26, 2020, as set forth on Attachment A.

3) Sentra is maintaining its records in a manner to enable it, or the Commission, to determine the amounts to be refunded and to whom a refund is due if the Commission orders a refund.

Respectfully submitted,

/s/ Robert C. Moore
