In Re Matter of: ELECTRONIC SOUTHERN WATER AND SEWER  
DISTRICT METER REPLACEMENT SURCHARGE MONITORING

---

MOTION TO AMEND 12/2/20 MOTION

---

Comes Southern Water and Sewer District “Southern”, by and through counsel,  
and for its motion to amend Southern’s 12/2/20 motion states as follows;

Southern hereby files this motion to clarify several issues related to the 12/2/2020  
motion.

The Co-Bank loan that was used to purchase and install new water meters has yet  
to be repaid. Southern intends to continue to collect the meter surcharge in order to  
service the Co-Bank debt for the remaining period of time approved by the PSC.

Southern intends to file a new application in a new proceeding to request PSC  
approval to use the remainder of the Co-Bank loan proceeds to purchase and install  
master meters and a CPCN or finding that the project is an extension in the ordinary  
course of business.

Southern hereby requests PSC Approval to amend the purpose of 2020-121 to use  
the meter surcharge funds to make payments on the Co-Bank loan for the AMR system  
and for master meters.

**Wherefore**, Southern hereby requests PSC approval to amend the purpose of  
2020-121 to use the meter surcharge funds to make payments on the Co-Bank loan for  
the AMR system and for master meters.
