Johnson County's Response to Staff's First Request, Item 2(b), which states, "Transportation cost is not included in Johnson County's GCR rate calculation."

b. Explain in full detail why the rate of \$6.00 per MCF for Hall, Stephens and Hall Gas Company (Hall) would include transportation costs if costs associated with transportation are not included for recovery in Johnson County's Gas Cost Recovery (GCR) rate calculation.

c. Explain whether the \$6.00 per MCF rate is reasonable given that transportation costs are not included for recovery in Johnson County's GCR rate calculation.

d. State whether Johnson County has included transportation costs in its past GCR rate reports.

2. Refer to Johnson County's responses to Staff's First Request, Item 2(a).

a. The response provided does not answer the request for information. Provide a full response to the previous request of Staff's First Request, Item 2(a).

Be sure to explicitly state if, during any period under review, Johnson County did not purchase any natural gas for any month from Bradco and thus did not receive an invoice for service.

7. Refer to Johnson County's responses to Staff's First Request, Item 8. Provide the invoices from EQT Transmission (EQT) to Johnson County for any natural gas purchased for each month from April 1, 2013, through January 1, 2015. Case No. 2020-00122

Responses to Commission Staff's Second Request for Information to Johnson County Gas Company, Inc.

1. a. The transportation cost from Diversified is paid by Hall, Stephens, and Hall and is not included in Johnson Counties GCR rate calculation.
 - b. Hall, Stephens and Hall pay the transportation cost.
 - c. Yes. Hall, Stephens and Hall pay the transportation cost to provide the gas.
 - d. No, not that Johnson County is aware of.
2. a. Please see Exhibit 2a for Columbia Gas price compared to Hall, Stephens and Hall price.
 - b. The EIA price for 6/2011 is \$6.12. Please see Exhibit 2b.
3. a. The price for gas charged by Hall, Stephens and Hall is compared to the cost of the gas and transportation cost of other companies in the area.
 - b. Johnson County Gas does not have enough income flow during the warmer months when no gas is consumed by customers to pay all the cost of gas, so it catches up during the colder months when consumption is higher and income flow is greater.
 - c. Johnson County does not have any written refusals from other companies to sell gas to it. The company does have the knowledge and experience to know that timely payment is required by most all companies (Diversified, Columbia Gas, and HSH have verbally agreed to wait if need be) to continue purchasing gas to supply to its customers.
 - d. Diversified, Columbia Gas, and HSH have all been made aware by telephone conversations.
 - e. Johnson County has not had any shortage of gas to supply to its customers.
 - f. Johnson County bills are processed and printed at the end of each month and are due by the 20th of the following month. Some customers pay quickly, some pay by the 20th, some pay after the 20th, and some don't pay at all until the following month and after receiving a disconnect notice.
4. Hall, Stephens and Hall concluded that its \$6.00 rate is cheaper than \$6.12, and Hall, Stephens and Hall pay transportation cost making the gas cost \$4.19. Please see Exhibit 4.

5. Johnson County does believe this rate is reasonable since it does pay the transportation cost for gas provided by Hall, Stephens and Hall.

6. Johnson County is not in possession of these invoices and has requested them from Bradco. Please See Exhibit 6.

7. Johnson County is not in possession of these invoices and has requested them from EQT. Please see Exhibit 7.

8. The fire was a very difficult and stressful time for Johnson County. A new office had to be located and established. All records were lost and even some on backup disk could not be salvaged due to heat exposure. Computers were destroyed as well as all office supplies and equipment. It was like starting all over and it was a devastating time for Johnson County. So many things were going on to supply its customers service and a place to provide that service, that it did not consider the need to replace lost invoices until now.

9. Please See Exhibit 9.
