MOTION FOR EXTENSION OF TIME TO COMPLY
WITH ORDER OF NOVEMBER 6, 2020

Hyden-Leslie County Water District (“Hyden-Leslie District”) moves the Public Service Commission (“Commission”) for an additional 180 days in which to document and submit to the Commission the terms for the members of its board of commissioners. In support of its Motion, Hyden-Leslie District states:

1. On November 6, 2020 in the above-styled case, the Commission ordered Hyden-Leslie District to document and submit the terms for the members of its board of commissioners.
2. To establish the correct terms of the members of its Board of Commissioners, the Hyden-Leslie District must review the minutes of the Leslie County Fiscal Court reaching back to the 1960s.
3. Due to restrictions resulting from the COVID-19 pandemic, public access to the Leslie County Fiscal Court offices has been restricted. Hyden-Leslie District expects restrictions on access to be eased as pandemic conditions lessen.
4. Hyden-Leslie District has limited personnel to perform the research necessary to comply with the Commission’s Order. Its General Manager will be performing this research. He has a number of pressing duties that limit his time and ability to perform this research.
5. This request is made in good faith and is not made for purposes of delay.

WHEREFORE, Hyden-Leslie County Water District requests an Order granting an extension of 180 days in which to document and submit to the Commission the terms for the members of its board of commissioners.

Dated: March 20, 2021

Respectfully submitted,
