RE: PSC Case Number 2020-00154

Dear Commissioners,

This letter is to inform you that Martin County Water District made zero purchases from Evans Hardware in the past 30 days.

Alliance Water Resources made five (5) purchases in July 2022. On July 9th, 2022, a 2-way radio was purchased for flagging for \$89.99. On July 13th, a soldering iron was purchased for a radio read meter repair for \$22.99. On July 14th, a lock was purchased for \$14.49 to perform lock out/tag out on the intake pump's VFD. On July 15th, brass bushings and an elbow was purchased for \$7.08 for the Turkey Creek PRV. On July 21st, \$158.99 was spent to purchase an extension ladder for ingress/egress at Stepp Bottom. Each of these purchases were made due to the proximity of availability to the District and the timeliness in receiving the products.

Sincerely,

Craig Miller
