**CITY OF BUTLER’S RESPONSE  
TO PENDLETON DISTRICT’S MOTION FOR CONFERENCE**

---

The City of Butler (“Butler”), by counsel, submits the following response to Pendleton County Water District’s (“Pendleton District”) Motion for Conference with Commission Staff.

Butler believes that there is sufficient information in the record of this case—including Butler’s verified Motion for Immediate Approval of the Contract and Pendleton District’s responses and supplemental responses to information requests—for Commission approval of the contract. To the extent that the Commission or Commission Staff have additional questions that need to be answered prior to approval of the contract at issue, Butler agrees that a conference with Commission Staff would expedite the resolution of this proceeding by avoiding unnecessary and time-consuming written discovery.

Respectfully submitted,

---
