In the Matter of:

**AMENDED MOTION  
FOR EXTENSION OF TIME TO RESPOND TO DATA REQUESTS**

---

Water Service Corporation of Kentucky (“WSCK”), by counsel, respectfully submits this amended motion for an extension of time to respond to the Commission Staff’s Second Request for Information and the Attorney General’s First Request for Information. In support of this motion, WSCK states the following:

WSCK filed a Motion for Extension of Time to Respond to Data Requests on Monday, August 17, 2020, in which it requested a two-week extension to respond to the most recent set of discovery requests. In order to minimize the impact on the procedural schedule, WSCK seeks to amend its motion, such that there would be a one-week extension and WSCK would provide responses on or before Wednesday, August 26, 2020. WSCK acknowledges that it would be appropriate to extend other deadlines set forth in the Commission’s June 26, 2020, Order by one week. In addition, WSCK will agree not to implement rates subject to refund for a commensurate period of time, enabling the Commission to schedule an evidentiary hearing in this matter.

The undersigned counsel has contacted counsel for the Attorney General’s office, who indicated that the Attorney General’s office does not object to the amended motion.

Respectfully submitted,

---
