

COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION OF KENTUCKY

In the Matter of:

Application of Water Service Corporation)
of Kentucky for a General Adjustment) Case No. 2020-00160
in Existing Rates)

**MOTION FOR EXTENSION OF TIME BY
WATER SERVICE CORPORATION OF KENTUCKY**

Water Service Corporation of Kentucky (“WSCK”), by counsel, respectfully requests an extension of time to file certain documents in response to the Commission’s Order dated December 8, 2020. In that Order, the Commission required the following: “Within 20 day [sic] of the date of entry of this Order, Water Service Kentucky shall file through the Commission’s Electronic Tariff Filing system new nonrecurring charges reflecting the marginal cost of each nonrecurring service. Additionally, Water Service Kentucky is to file support for continuing the \$27.00 New Customer Account Setup Fee.” WSCK is evaluating the marginal costs of those nonrecurring charges and seeking additional support for updated nonrecurring charges. WSCK has not completed that evaluation, in part, due to employee staffing during the holidays. Accordingly, WSCK respectfully requests an extension to the requirement,¹ such that WSCK shall provide the requested information no later than January 14, 2021.

¹ Pursuant to the Commission’s Order, WSCK filed new tariff pages based on the rates approved in that Order. *See* TFS 2020-00561.
