COUNTY WATER DISTRICT FOR AN) CASE NO. 2020-00167
ALTERNATIVE RATE ADJUSTMENT)

MOTION FOR A DECISION ON THE EXISTING RECORD

Ohio County Water District (“Ohio District”) moves for a decision on its application for rate adjustment based upon the existing record. In support of its motion, Ohio District states:

1. An extensive record has been developed in this proceeding. Through its application and its responses to requests for information, Ohio District provided more than six thousand pages of materials regarding its finances and operations. Commission Staff has prepared and filed in the record a lengthy, thorough and exhaustive review of Ohio District’s operations.

2. Ohio District has accepted the findings and recommendations contained in the Commission Staff report.

3. Ohio District has waived its right to a hearing in this matter.

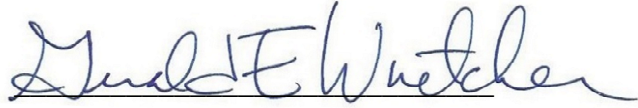

4. Given the thorough review performed by Commission Staff, a hearing is unlikely to produce any additional substantive evidence that would require revision or amendment of the findings set forth in the Commission Staff Report.

5. A prompt resolution of this matter is in the best interests of Ohio District and its customers

WHEREFORE, Ohio County Water District requests that the Commission close the record in this matter and promptly proceed to enter a decision based upon the existing record.
