Re: *Ohio County Water District*
Case No. 2020-00167

Dear Mr. Chandler:

Enclosed for filing in the above-referenced proceeding is Ohio County Water District's Application for Rate Adjustment. Because of its size, Exhibit R to the Application is submitted as a separate document. The Attorney General's Office of Rate Intervention has been advised of this filing by electronic mail. Because the documents' size prevents attaching the documents to the message, hyperlinks to the documents were instead contained in that message.

In accordance with 807 KAR 5:001, Section 8, I certify that Ohio County Water District's electronic filing of this Application is a true and accurate copy of the same documents being filed in paper medium; that the electronic filing was transmitted to the Public Service Commission on this day; that there are currently no parties that the Public Service Commission has excused from participation by electronic means in this proceeding; and that within 30 days following the end of the state of emergency announced in Executive Order 2020-215 this Application in paper medium will be delivered to the Public Service Commission.

Sincerely,

Stoll Keenon Ogden PLLC
