Kentucky Utilities Company
Response to Commission Staff's Second Request for Information
Dated January 26, 2021

Case No. 2020-00170

Question No. 1

Witness: Andrea M. Fackler

- Q-1. Refer to KU's ES Form 2.10 for the expense months of March 2019 through August 2019. For each expense month, confirm that Eligible Plant In Service, as shown in column 2 of the relevant ES Form 2.10, does not include Allowance for Funds Used During Construction (AFUDC). For each expense month for which this cannot be confirmed, provide the AFUDC amounts included in Eligible Plant In Service for that month, and explain why those amounts are included.
- A-1. Confirmed.
