**Kentucky Power Company's Motion For Leave To Deviate**

Kentucky Power Company moves the Public Service Commission of Kentucky pursuant to 807 KAR 5:001, Section 22 for leave to deviate from the requirements of the Commission's May 29, 2020 Order and 807 KAR 5:001, Section 13(2)(a)(3) that it file with the Commission an unredacted copy in paper medium of any document for which it is seeking confidential treatment in this case. Because of the size of the attachments, Kentucky Power seeks leave to file the required copy of Confidential Attachment 1 to the Company's response to KPSC 2-4 in electronic medium in lieu of in paper medium. For the same reason, the Company seeks leave to make Confidential Attachments 1 through 6 to the Company's response to KPSC 2-22 available for inspection at the offices of Stites & Harbison PLLC in Frankfort, Kentucky in lieu of filing the same in paper medium with the Commission.

**Documents For Which Leave Is Sought To File Information on Compact Disc**

Kentucky Power seeks leave to file on compact disc in lieu of the required paper original of its Confidential Attachment 1 to the Company's response to KPSC 2-4. That attachment is labeled KPCO\_R\_KPSC\_2\_4\_ConfidentialAttachment1.

Attachment 1 to KPSC 2-4 comprises the Company's internal accounting procedures and policies. The originals of this information total over 600 pages. Providing the originals in electronic format for this information is more efficient and should not impede review of the Company's Application in this case.

Documents For Which Leave Is Sought To Make Information Available for Inspection

Kentucky Power seeks leave to make Confidential Attachments 1 through 6 to the Company's response to KPSC 2-22 available for inspection at the offices of Stites & Harbison PLLC, 421 West Main Street, Frankfort, KY in lieu of filing the same in paper medium with the Commission. Those attachments are labeled:

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment1;

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment2;

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment3;

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment4;

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment5; and

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment6.

Attachments 1 through 6 to KPSC 2-22 comprise third party benefits surveys and executive compensation studies, including the supporting data and analyses utilized to prepare the same. The surveys and studies are third-party proprietary information that Kentucky Power is required to protect. Further, the combined originals of this information total over 20,000 pages, which is about 40 reams of paper, and must be transported in about 10 bankers boxes. Making this information available for inspection at the offices of Stites & Harbison PLLC, 421 West Main Street, Frankfort, KY rather than filing a paper copy of the same with the Commission is more efficient and should not impede review of the Company's Application in this case.

Wherefore Kentucky Power Company respectfully requests that the Commission enter an Order:

1. Granting the Company's motion for leave to deviate from the Commission's May 29, 2020 Order in this case and 807 KAR 5:001, Section 13(2)(a)(3) by filing the required paper original of KPCO\_R\_KPSC\_2\_4\_ConfidentialAttachment1 on compact disc in lieu of paper format;

2. Granting the Company's motion for leave to deviate from the Commission's May 29, 2020 Order in this case and 807 KAR 5:001, Section 13(2)(a)(3) by making available for inspection the required paper original of:

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment1;

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment2;

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment3,

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment4;

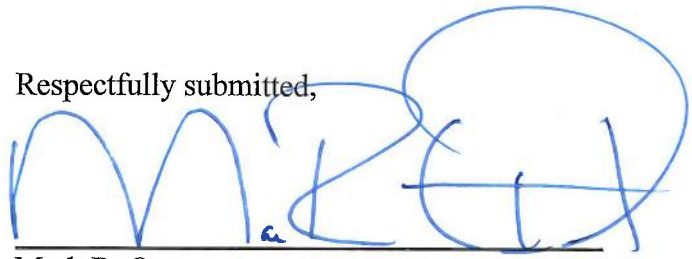

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment5; and

KPCO\_R\_KPSC\_2\_22\_ConfidentialAttachment6,

at the offices of Stites & Harbison PLLC, 421 W. Main Street, Frankfort, KY 40601, in lieu of providing the same in paper format to the Commission; and

3. Granting such further relief to which the Company may be entitled.

Respectfully submitted,

Mark R. Overstreet
