**Don't Text And Drive**

Your Local Emergency Management Office recommends you not use your cell phone while driving. However, if you must call when behind the wheel, it is suggested that:

- Recognize that driving requires your full attention.
- Before you get into the car, become familiar with the phone's features.
- Use the phone only if it's absolutely necessary.
- Use the phone only when and where it's safe to do so.
- Ask a passenger to place the call for you and to do the talking.
- Keep the call short.
- Tell the person at the other end that you're driving.
- Get off the phone as soon as possible—especially in traffic or bad weather.
- Don't combine a phone conversation with other distractions.
- Secure your phone so it doesn't become a projectile in a crash.

ing, reports of voting fraud, the weather with storms, floods, burning. Such a time. If people can't open their eyes and see the world is getting worse and the end times are coming. You need to open your eyes and first seek God. Because no matter who is president, if a vaccine for Covid 19 is found soon, God is still on the throne. The only hope you have is Jesus, He can give you peace from the mayhem in the world. A peace that no one else can give you. God's word says that He will meet your every need, He will, feed, clothe, and provide for you. He will not let his children beg for bread, but make a way for you. But you must call upon His name and ask God to forgive you of your sins and come into your heart. Read His word, pray, find a church that preaches the word. You must BELIEVE and have FAITH. God is a chain breaker, a waymaker.

November is already upon us. A month for Thanksgiving and giving thanks. Let's give Thanks each day for something good that you have been blessed with. LET'S PAUSE AND APPRECIATE ALL THE GOOD IN OUR LIVES.
