Re: *In the Matter of: Electronic Application of Big Rivers Electric Corporation for Approval of Solar Power Contracts - Case No. 2020-00183*

Dear Executive Director:

Big Rivers Electric Corporation (“*Big Rivers*”) has discovered that pages 36 and 37 of 40 in the public version of the Direct Testimony of Mark J. Eacret (“*Eacret Testimony*”), filed on June 24, 2020, were inadvertently rotated 90 degrees clockwise and, consequently, some of the information on those pages cannot be read. Therefore, Big Rivers is electronically filing the following materials:

1. This cover letter, which constitutes the Read1st file required by 807 KAR 5:001 Section 8(5); and
2. The replacements for pages 36 and 37 of the Eacret Testimony.

Big Rivers will file the requisite paper copies of this electronic filing within thirty days after the current state of emergency is lifted, as required by the Commission’s Orders in Case No. 2020-00085.

The undersigned certifies that the materials in the electronic filing are a true representation of the materials in paper medium, and that the electronic version of the paper filing is a true and accurate copy of each paper filed in paper medium. The Commission has excused no parties to this proceeding from its electronic filing procedures.
