Re: *In the Matter of: Electronic Application of Big Rivers Electric Corporation for Approval of Solar Power Contracts - Case No. 2020-00183*

Dear Executive Director:

Big Rivers Electric Corporation ("*Big Rivers*") is appreciative of the Public Service Commission's ("*Commission*") efforts to issue a final order in the above-referenced matter no later than September 28, 2020. In light of the Attorney General's notice that he is not filing intervenor testimony in the above-referenced matter, Big Rivers does not object to the Attorney General's motion to amend the procedural schedule to allow for a second round of information requests to Big Rivers, so long as Big Rivers is given at least 10 days to file its responses and so long as the revised procedural schedule does not jeopardize the Commission's ability to issue a final order by September 28.

Big Rivers will file the requisite paper copies of this electronic filing within thirty days after the current state of emergency is lifted, as required by the Commission's Orders in Case No. 2020-00085.

The undersigned certifies that the materials in the electronic filing are a true representation of the materials in paper medium, and that the electronic version of the paper filing is a true and accurate copy of each paper filed in paper medium. The Commission has excused no parties to this proceeding from its electronic filing procedures.

Executive Director
