**Motion for Extension of Time**

Cumberland County Water District ("Cumberland District"), by Counsel, hereby files its Motion for an Extension of Time to file an alternative rate filing (ARF) as ordered pursuant ordering paragraph no. 5 of the Commission's Order dated July 28, 2020 issued in this Case.

Cumberland District requests that the Commission grant an extension of six months from the required filing date of July 28, 2021.

Cumberland District states that they received their most recent audit in April, 2021 and are in the process of preparing the ARF, but due to the complexity of the process, they did not feel comfortable continuing and are contacting Mr. Alan Vilines of Kentucky Rural Water Association to assist them in preparing and filing the ARF but due to the backlog of ARF filings that Mr. Vilines is working on, additional time is needed to complete the application.

**Certification of Supplemental Information Filing**

The undersigned hereby certifies that I have supervised the preparation of the Motion for Extension of Time. The information provided in the Motion for Extension of Time is true and accurate to the best of my knowledge, information, and belief formed after a reasonable inquiry.
