**NORTHERN BOBWHITE SOLAR LLC’S  
MOTION TO SUBMIT CASE FOR DECISION ON THE RECORD**

Northern Bobwhite Solar LLC (“Bobwhite”) moves the Kentucky State Board on Electric Generation and Transmission Siting (“Siting Board”) to submit this case for a decision on the existing record. The Siting Board’s January 12, 2021 procedural order in this case included a tentative public hearing on May 4, 2021. The Siting Board’s order noted that “Public hearing may be canceled if no request for a hearing is received by the Siting Board on January 21, 2021.”

No parties have sought intervention in this case, and no person has filed a request for a public hearing. Moreover, no parties have filed comments with the Siting Board regarding this case. Bobwhite believes that the existing record is sufficient for the Siting Board to evaluate Bobwhite’s application for a construction certificate. If the Siting Board grants this motion, Bobwhite waives its right to a hearing.

WHEREFORE, Northern Bobwhite Solar LLC respectfully requests the Siting Board:

1. Cancel the public hearing tentatively scheduled for May 4, 2021;
2. Decide this case on the existing record; and

3. Grant Bobwhite all further relief to which it may be entitled.

Respectfully submitted,
