Re: **Farmdale Water District**  
**Case No. 2020-00217**

Dear Ms. Bridwell:

Enclosed for filing in the above-referenced matter is Farmdale District's Motion for Alternate Use of Surcharge Funds. Because of the looming threat of a price increase brought about by additional tariffs on imported goods and components, Farmdale District purchased more Neptune customer water meters than the Commission granted authority for it to purchase using Surcharge Funds. Farmdale District respectfully seeks the Commission's ratification of its purchase and proposes an alternate plan for using the Surcharge Funds.

Respectfully,

/s/Tina C. Frederick
