**Re: Case No: 2020-00217**  
**Case No: 2024-00202**  
**Farmdale Water District**

Dear Ms. Bridwell:

Enclosed for filing in the above-referenced matters are materials documenting the certification of the meter-testing facility used by the Frankfort Plant Board ("FPB") to test Farmdale Water District's ("Farmdale") meters for accuracy. Farmdale regards the enclosed materials to be sufficient documentation that its third-party meter-testing facility meets the requirements as set forth in Case No. 2018-00226 to be considered "certified" by the Commission. Farmdale is filing these documents into the docket of its surcharge monitoring proceeding (2020-00217) and into the docket of the merger investigation proceeding (2024-00202) because the documents are relevant in each proceeding. They have also been provided to the Commission's Division of Inspections.

Respectfully,

/s/ Tina C. Frederick
