

# MADISON SOLAR PRELIMINARY CONSTRUCTION TRAFFIC & MAINTENANCE PLAN

CONSTRUCTION TRAFFIC FOR THE FORESEEABLE FUTURE (TENTATIVELY FROM JUNE 2023 - AUGUST 2025) WOULD INCLUDE ONE (1) PICKUP TRUCK ACCESSING THE MET STATION LOCATION WEEKLY.

THE PICKUP TRUCK WOULD UTILIZE AN EXISTING ENTRANCE ON RTE. 388 AT APPROXIMATELY 2107 RED HOUSE RD.

KEYPLAN OF THE SITE WITH ENLARGED AREA SHOWING ENTRANCE ON RTE. 388 AND PATH TO THE APPROXIMATE LOCATION OF THE MET STATION ARE SHOWN BELOW.

The keyplan shows the site layout with an enlarged area highlighting the entrance on Route 388 and the path leading to the approximate location of the Met Station. The Met Station is indicated by a red cloud-like shape in the enlarged view.
