MOTION FOR EXTENSION OF TIME TO RESPOND TO DATA REQUESTS

East Logan Water District, Inc. (“East Logan District”), by counsel, respectfully requests an extension of time to respond to the Commission Staff’s Initial Request for Information. In support of this motion, East Logan District states the following:

Commission Staff issued requests for information on October 6, 2020. Commission Staff’s requested that East Logan District provide responses to those requests for information within 10 days (October 16, 2020). East Logan District has been gathering information and prepare responses to those requests, but it has been unable to complete the responses by the requested due date. Accordingly, East Logan District respectfully requests a seven-day extension through October 23, 2020, by which to provide responses to the requests. East Logan District believes its requested extension is reasonable, will not result in undue delay, and is essential to ensure appropriate and adequate responses are thoroughly prepared and finalized.

Respectfully submitted,
