MT OLIVE CREEK SOLAR, LLC’S SUPPLEMENTAL INFORMATION

Mt Olive Creek Solar, LLC (“Mt Olive Creek”), by counsel, hereby provides additional information to support its application in this matter.

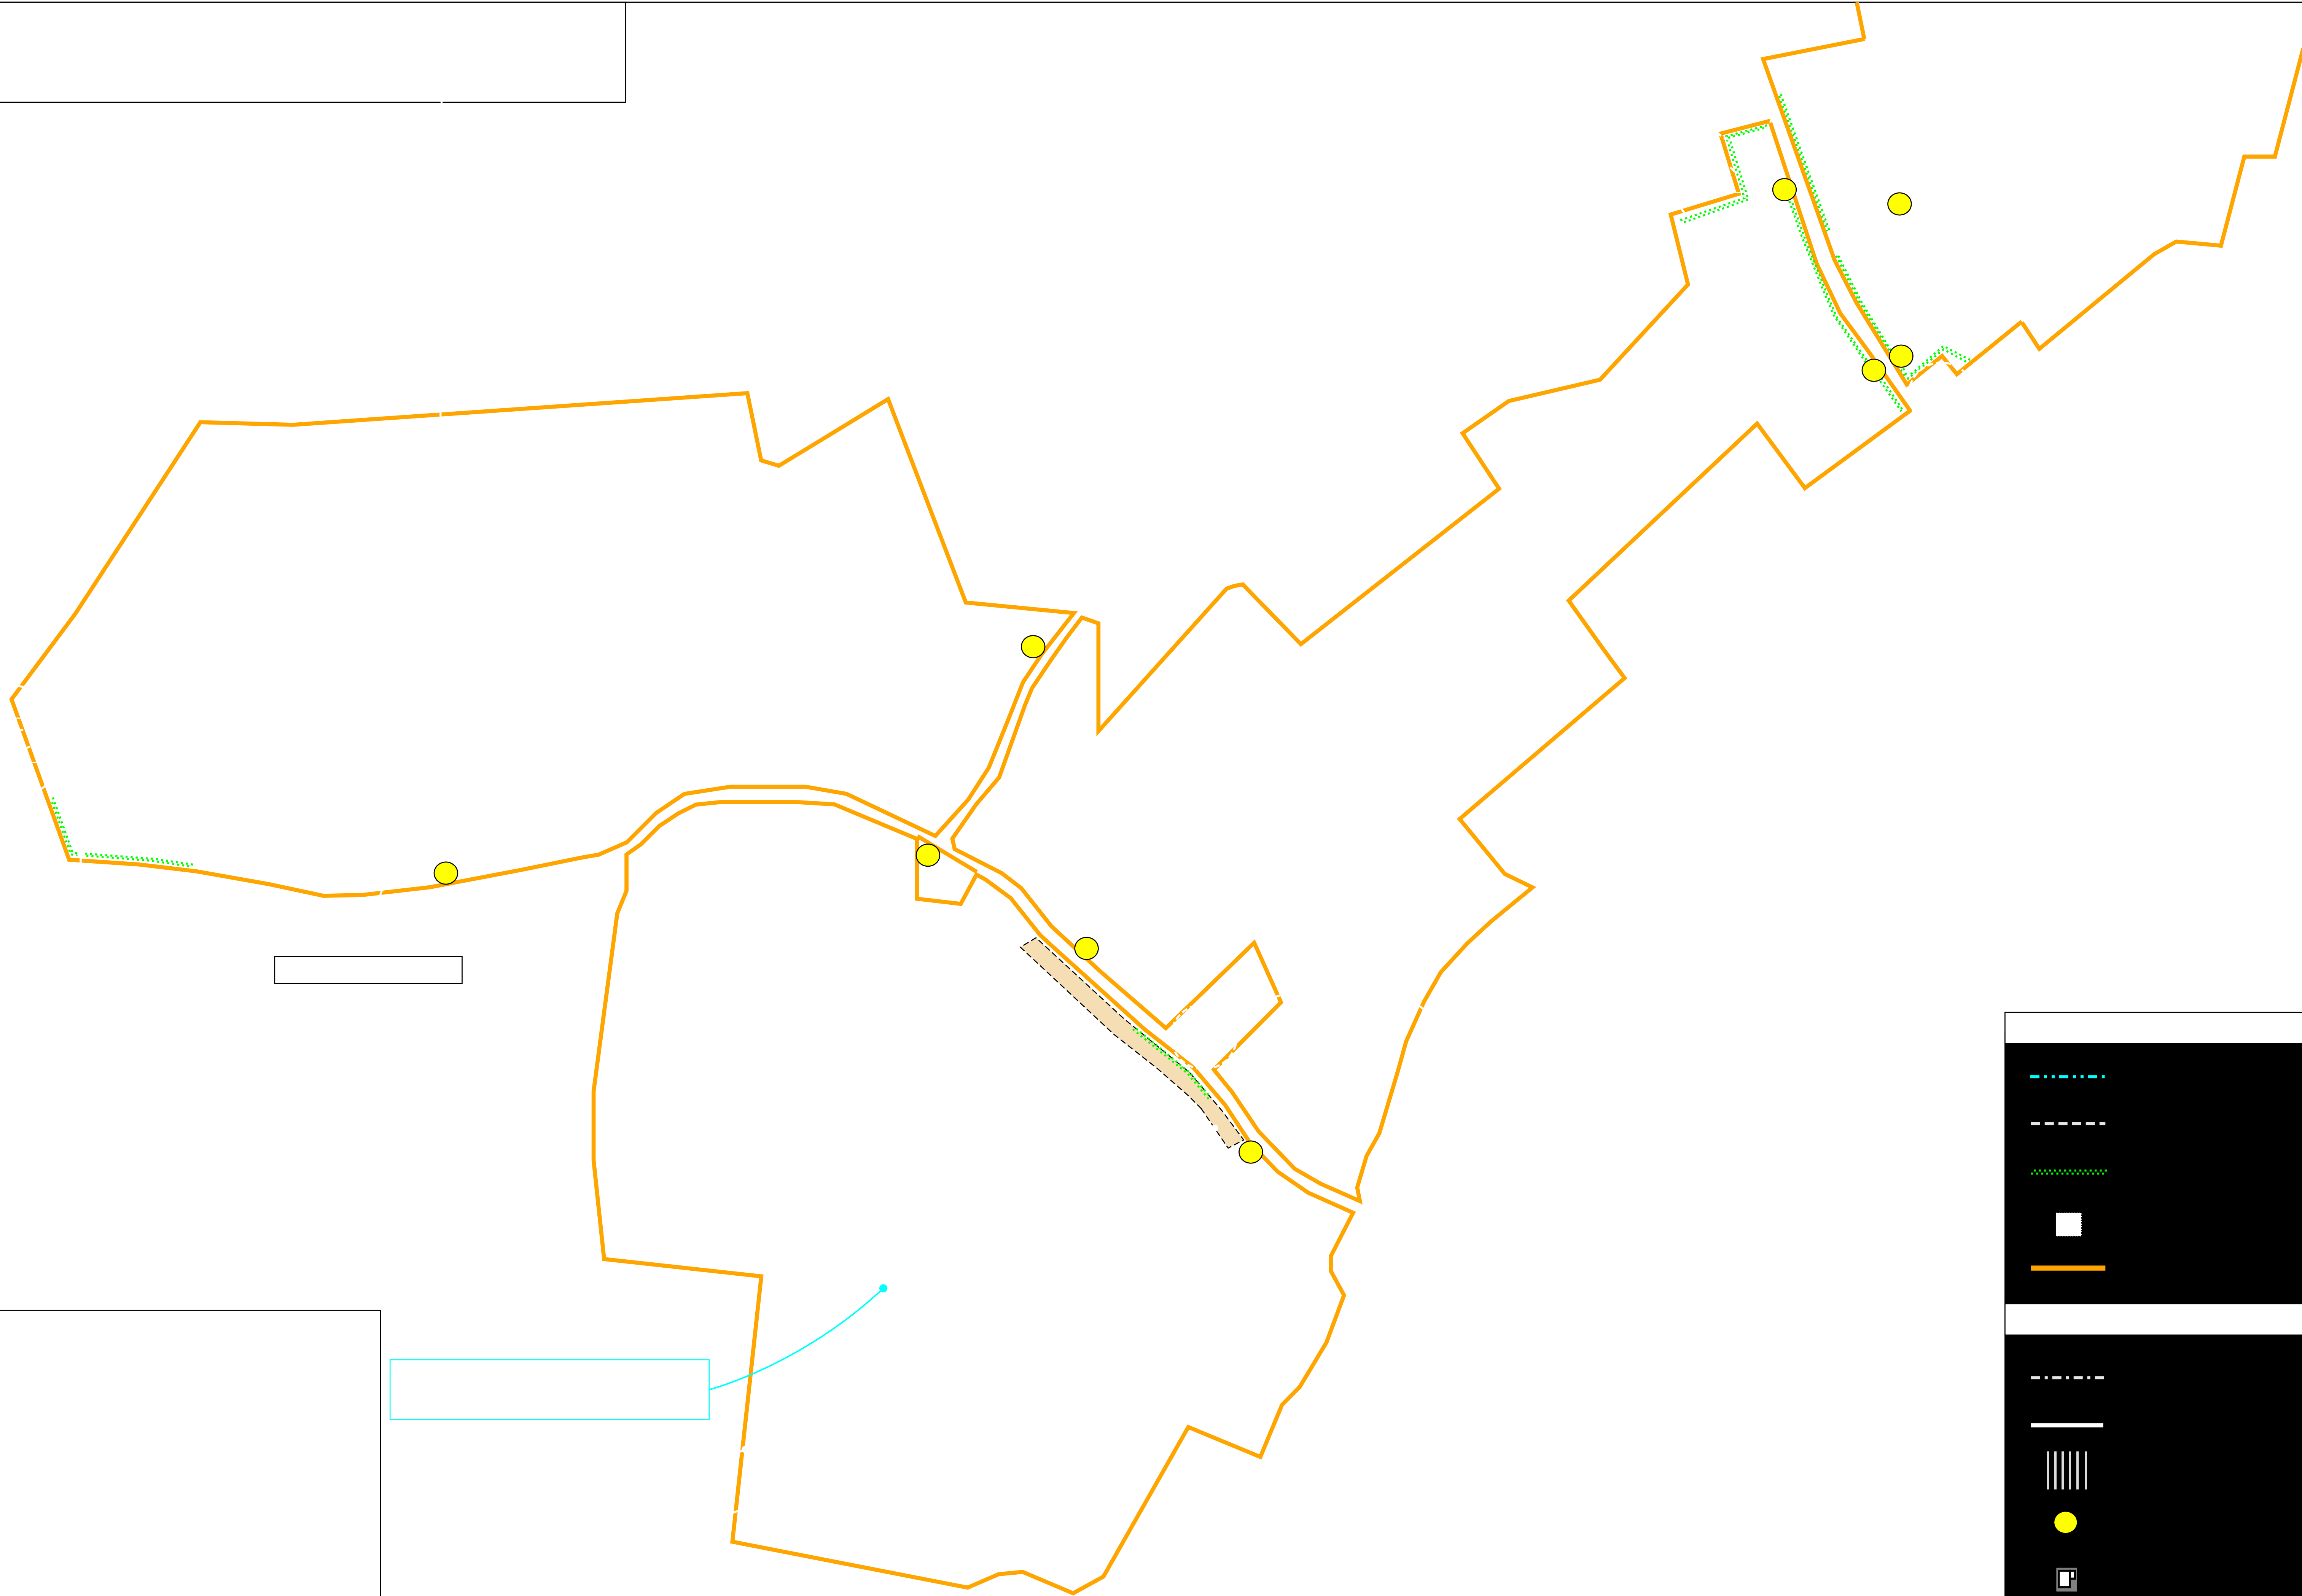

I. Site Layout Change

Mt Olive Creek has amended the site layout to add a notation (a white dashed circle) and vegetative buffering at one neighboring home that lies within 150 feet of the Project, but was not marked as such on the site plan submitted with Mt Olive Creek’s Application. Mt Olive Creek is making this correction proactively based on Mt Olive Creek’s analysis of the site layout, and not in response to any complaints received about the Project. There are no other changes to the site layout other than the additional notation and vegetative buffering at one neighboring home. The home is located on the Northeast border of the Project.

Respectfully submitted,
Sturgill, Turner, Barker, & Moloney, PLLC
