Winchester Municipal Utilities Ms. Jennifer Sparks 150 North Main Street Winchester, KY 40391

Dear Ms. Sparks:

The Kentucky River Authority, at its February 18<sup>th</sup> board meeting, voted to adjust the Tier I water withdrawal fee set forth in administrative regulation 420 KAR 1:040 and by statute in KRS 151.723. **Beginning July 1, 2020 the new Tier I rate will be \$0.029 per 1,000 gallons** of water withdrawn. (Currently this rate is \$0.022 per 1,000 gallons). All Tier I fee payers will see this rate increase reflected on the invoice for quarter ending September 30, 2020, mailed on November 1, 2020. The Tier II rate will remain unchanged. This rate increase is necessary to fund the day-to-day operations of the Kentucky River Authority. The Tier I water use fee rate has been the same since 1996.

For water utilities, please plan to adjust your end user rates accordingly, if necessary. Also, for utilities that supply water to Water Districts or other wholesale customers, please inform them of this upcoming change if it will affect their purchase rate from your utility.

The Kentucky River Authority will continue to fund the Kentucky River Watershed Management program and the United States Geological Survey Streamflow Gage Network on the Kentucky River from these funds. If you have any questions, please call our office at (502) 564-2866.

Sincerely,
Teilblan
