**Re: Kentucky PSC Approval of Transfers**

Dear Bob,

As you know, we received an Order dated 11/25 from Kentucky Public Service Commission. The Order was issued in Case No. 20-00241 and approves the sale and transfer of LLC ownership from you and IGS.

The PSC Order requires me to notify the Commission of “the closing of the transaction within ten days of the closing.” All of our transaction documents were executed on July 30, and no other closing documents are necessary.

But the affirming PSC Order allows the Finance Agreement to take full effect:

“The effective date of this Finance Agreement is the date of approval by Kentucky Public Service Commission.”

Unless you have an objection, I will notify the Commission that, pursuant to its Order, we have finalized all transfer documents and the Finance Agreement is now in effect. This letter will be filed with the Commission to serve as that notice.

Respectfully,
