Re: ESB Case No. 2020-00242 (Unbridled Solar, LLC / solar generation, non-regulated transmission line); Read1st document for Map to Accompany Response to Consultant's Reports

Dear Ms. Bridwell:

Unbridled Solar, LLC ("Unbridled"), through counsel, submits this cover letter for their electronic filing in this case, serving as the Read1st introductory file. The filing made is its BREC Property Map, which was inadvertently excluded as an attachment from the initial filing of Unbridled's Response to the Consultant's Reports and is now being supplemented thereto. The PDF is named *Unbridled\_BigRivers.pdf*.

In accordance with 807 KAR 5:001 § 8(7), filing counsel certifies that no party has been excused from electronic filing procedures or participation in electronic service. Unbridled will file one copy of the BREC Property Map (as part of the Response) with the Commission in paper medium or other medium (e.g., CD-ROM or thumb drive) within 30 days of the lifting of the state of emergency pursuant to the Commission's 3/16/20 and 3/24/20 Orders in Case No. 2020-00085. In accordance with 807 KAR 5:001 § 8(7), filing counsel certifies that the electronically filed documents are a true representation or copy of the same documents that are filed later in paper or other medium.

Sincerely,

/s/ Kathryn A. Eckert
